**September 1 for Winter Activities and February 1 for Spring Activities.**

Officials must possess a thorough knowledge of playing rules and an ability to interpret these rules. The League conducts online rules meetings prior to the season in each activity. It is the responsibility of the official to annually complete these online meetings for the purpose of being informed of rules changes and new interpretations as well as a general review of all rules and regulations in all sports in which they are registered (fee paid). Failure to complete all eligibility requirements in the Regular Season Tier will result in a not eligible status.
